APPLICATION FOR THE PRESIDENT’S AND PROVOST’S STUDENT EVENT FUND

The President’s and Provost’s (P&P) Student Event Fund is available to all recognized Columbia University student organizations. The Fund provides financial support to events which benefit the University community through collaboration and creative programming on campus.

Each semester the committee is charged with awarding funds to those applications that best meet the goals of the P&P Fund. The fund is administered by the Office of the Executive Director of Columbia University Event Management. The committee members include designated representatives from the governing boards of the university student community. The deadline is final and will not be extended. All decisions are final. There is no appeal process.
